# WE CALL YOUR ATTENTION TO THE ENCLOSED CIRCULAR

This proposition appealed to us as a novel method of advertising Gold Medal Field Seeds: at the same time, aiding our customers to advertise their own business at a very low cost. The manufacturers tell us these calendars would cost ordinarily \$15.00 to \$20.00 per hundred if bought in the usual quantities by individual firms. The contract we entered into enabled us to secure this low price. We hope that many of our customers who have not already placed their orders for calendars will take advantage of our low priced contract to place their orders through us. Please remember that a minimum order is 100, and that you may have all of one subject or in any assortment you see fit to order. You will find an order blank on the bottom of the enclosed circular.
